Sharing Information for "Locating and repurposing anesthetic machines as intensive care unit ventilators during the COVID-19 pandemic"

SPRINGER NATURE

Dear Author,

We are pleased to inform you that your article "Locating and repurposing anesthetic machines as intensive care unit ventilators during the COVID-19 pandemic" will be published online within the next 24 hours in Canadian Journal of Anesthesia/Journal Canadien. As part of the Springer Nature Shared It initiative, you can now publicly share a full-text view-only version of your paper by using the link below. If you have selected an Open Access option for your paper, or where an individual can view content via a personal or institutional subscription, recipients of the link will also be able to download and print the PDF. All readers of your article via the shared link will also be able to use Enhanced PDF features such as annotation tools, one-click supplements, citation file exports and article metrics.
