Anesthesiologists Stratford, Ontario

Candidates must be certified, or be eligible for certification, by the Royal College of Physicians and Surgeons of Canada and hold, or be eligible for, licensure with the College of Physicians and Surgeons of Ontario. CPSO pathway licensure is easily available for US Board Certified Physicians with new regulations implemented in 2023 that have created a straight forward licensure process without the requirement for supervision.

Anesthesiologists at HPHA have the opportunity to teach and mentor residents and medical students from the Schulich School of Medicine and Dentistry at Western University, with professional staff members eligible to hold a University appointment.

These full-time or part-time positions offer great flexibility and work/life balance and include a very attractive fee-for-service compensation with HOCC call stipend, relocation funding, and a generous return of service financial compensation incentive.

Stratford is a city of 35,000 residents, located on the spectacular Avon River. It is centrally located, 30 minutes from Kitchener/Waterloo, 45 minutes from London, 60 minutes from Bayfield, and 90 minutes from Toronto.
