

Accessing our SharePoint

Step 1

U of T email sign in

Visit the [Department of Anesthesiology & Pain Medicine's SharePoint site](#) and sign in using your U of T email address.

Step 2

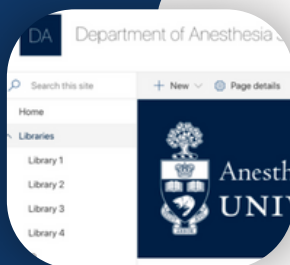

U of T email sign in

Our SharePoint site is a secure online depository library. For additional security, you will be asked to login with your UTORid.

Step 3

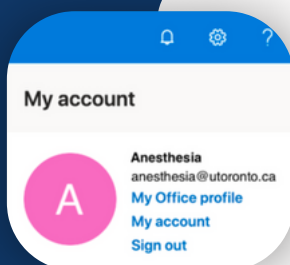

Navigating our Libraries

You now have access to our SharePoint team page! Our document libraries are found in the navigation bar to your left. To access a library, select a title.

Step 4

Signing out

After using the document library, please sign out. In the upper-right corner of your web browser, select your account icon and select "sign out" from the menu.

Issues with your UofT email or UTORid

Forgotten Password

Please contact the [UofT IT Help Desk](#)
for assistance.

Unable to Login

If you cannot login with your UTORid
and password, kindly [verify your](#)
credentials online.

No access

If you have an academic appointment
with the Department of Anesthesiology
and Pain Medicine, please contact your
program coordinator for assistance.
