Toronto Anesthesia Symposium

Focus on POCUS: implementation
and application in clinical practice

April 1 - 2, 2023

Double Tree Hotel, Toronto

Program Highlights

This year's theme will bring together experts to discuss our current state of practice and the changing landscape of anesthesia Point of Care Ultrasonography (POCUS) as presented by invited and local faculty. Some highlight topics of the symposium include:

- Keynote Address: Why we should all be using bedside POCUS
- Panel discussion 1 – Unlocking the Potential of POCUS: Exploring Novel Applications (airway, labour and neuro anesthesia)
- Panel discussion 2 – How to become a POCUS champion and POCUS certification
- 9 Small group discussions on emerging topics and updates in anesthesia
- 4 Hands-on workshops to practice your skills and learn new methods and applications

Lectures, interactive PBLDs and workshops will be given by University of Toronto, national and international speakers.

Guest Speaker

Dr. Daniel Bainbridge MD BSc
LMCC FRCPC
Professor, Department of Anesthesia and
Perioperative Medicine
Schulich School of Medicine & Dentistry
